DATA SHEET

Product Code: KEN5058340K
Brand : Kennedy

300mm CURVED BLADE PLASTIC HANDLE PRY BAR

Product Information :

With curved blade to provide greater leverage, these pry bars are suitable for a wide range of general duty applications within the packing, automotive, maintenance and assembly industries. Made from square section chrome vanadium with ground points paired with impact-resistant plastic handles that offer a more comfortable and secure grip to make these pry bars user-friendly. Handles are also oil and acid-resistant. Available in three varying lengths.

Features and Benefits
- Available in three sizes to suit your requirements
- Impact resistant plastic handles provide the user with bolstered comfort and grip
- Curved blade provide superior leverage to straight blades
- Blade is manufactured from chrome vanadium steel for overall durability

Typical Applications
- Automotive
- Repair and Maintenance
- Packing and Picking

EAN Code - 5036140110144

PRODUCT ATTRIBUTES
