DATA SHEET

Product Code: KEN5155220K
Brand : Kennedy

0.5-6mm RATCHET CRIMPING PLIERS

Product Information :

With a full cycle ratcheting crimp frame and colour coded jaws, this product is the ideal tool for accurate crimping. Possessing adjustable, preset crimp pressure, the carbon steel construction makes the product highly durable. Hardened and tempered jaws with a chemically blacked finish and PVC handles.

Features and Benefits
- Jaws manufactured from high quality carbon steel for durability
- Crimping jaws are hardened and tempered to hold a good edge even with extended use
- Insulated PVC handles for bolstered protection and user comfort
- Chemically blackened finish for protection against corrosion and weathering

EAN Code - 5036140003286
