KENNEDY
QUALITY INDUSTRIAL TOOLING

DATA SHEET

Cable Tie Gun

For easy and tidy cable tie application, this Kennedy® cable tie gun increases the speed and reduces the effort of organising cables. Strong steel jaws grip and tighten each cable tie before trimming to the desired length to make a once fiddly job quick and simple. With height safe.

Features and Benefits

- Rapid trigger action for quick working
- Simple to use with accurate results
- Durable construction for a long-life product

Technical Specifications

- Material: Plastic
- Cable tie capacity: 2.4-4.8mm
