MINI PICK & HOOK SET (4-PCE)

Product Information :

Including a straight pick, full hook, 90° hook and 45° hook, this set is the ideal product for use on cotter pins, keys, 'O' rings, springs and washers. Comprised of hardened and tempered chrome vanadium steel shanks with a knurled section for precise grip. Finished with an impact resistant square section handles for secure grip even when greasy.

Features and Benefits
- Manufactured from chrome vanadium steel for overall product durability
- Products are hardened and tempered to maintain a good edge even over time
- Knurled section allows for precision and use even in awkward and confined spaces
- Impact resistant plastic handle for bolstered comfort and grip even when greasy or oily
- 4 piece set ensures you'll always have to hand the perfect product for any application

Typical Applications
- For use when removing cotter pins, keys, 'O' rings, springs and washers

EAN Code - 5036140013629
