Product Code: KEN5184370K
Brand : Kennedy

## 7" DOUBLE ENDED ENGINEERS SCRIBER

Product Information :

Used for the marking out of fine lines on metals, this double-ended scriber is manufactured from hardened and tempered high-grade steel. With a knurled body for high grip and precision ground points for accurate marking, the double-ended design makes the product ideal for marking out in hard to get places such as grooves.

Features and Benefits
- Manufactured from high-grade steel making for a robust product
- Hardened and tempered for bolstered resistance to wear and tear
- Knurled body for a high grip and control when using
- Double-ended design makes marking out in confined spaces and hard to reach sections such as grooves, easier
- Precision ground points enable accurate marking

Typical Applications
- Engineering
- Automotive
- DIY

EAN Code - 5036140111981
