Esselte 4 Hole Punch

There are 2 models in the new Esselte 4 hole punch range. All models have the same contemporary design as the Esselte 2 hole punch range.
The Q10 & Q25 have the following features

- Enamelled metal finish
- Waste receptacle
- 5.5mm punch diameter
- 80-80-80 punch distance
- Guide rail

Leitz Heavy Duty Punches

The new Leitz range of Heavy Duty Staplers and Punches offer maximum power with minimum effort. The range offers the unique benefits of soft, ergonomic handles, greater stability, easy refills and a 5 year warranty across the range.

5182 2 Hole Punch - 250 sheet

- Punches holes with 6mm diameter
- Larger metal ruler for better visibility
- Security cover for punch segments provide added safety
- Easy to change punch and drills

5180 2 Hole Punch - 65 sheet

- Patented push down and lock handle for easy storage
- Large scale ruler for better visibility and patented waste drawer
- Specialist aluminium base and handle for extra stability and ease of use

5114 4-6 Hole Adjustable Punch - 30 sheet

- Up to 6 variable punch segments with a choice of 6mm or 8mm holes
- New clamping device means no complicated screws to adjust the machine
- Large scale ruler for better visibility
- Inclined bar makes pushing down less of a struggle
- Patented push down and lock handle for easy storage

Leitz Staplers

- Flat clinch technology for flatter and more secure stapling
- Spring load technology means the refill compartment opens at the touch of a button
- An easy window shows exactly when the stapler needs to be refilled
- Takes staples: 26/6, 24/8, 26/8 and 25/10.
