DATA SHEET

Bi-Material Side Bent Scissors, 195mm

The asymmetrical bi-material comfort handle design with hardened and ground steel blades allows the scissors to be used comfortably just above the work surface when cutting cloth in a straight line. The straight and curved blade tips are suitable for both long cuts and precise stitch cutting. Suited for right handed users only.

Features and Benefits

- Sharp stainless steel blades stay sharper for longer
- Bi-material handle is ergonomic yet highly durable
- These scissors are perfect for long cuts and precise stitch cutting
