Product Code: KEN5334060K
Brand : Kennedy

100mm/4" MINI ROLLER FRAME

Product Information :

This single arm type mini roller frame is designed for use with 4" mini roller heads (sold separately). With a handle manufactured from moulded plastic and complete with a steel rode to affix the roller head to, it's a cost effective way to ensure you always have a roller to hand.

Features and Benefits
- Handle manufactured from sturdy plastic to ensure longevity
- Easy to affix a roller to the product
- An economic way to meet your needs as it saves the need for buying a completely new roller with each use, just replace the roller heads

Typical Applications
- Ideal for use with all 4" mini roller heads to apply paint, varnish, polish or any other material required

EAN Code - 5036140045774
