KENNEDY
QUALITY INDUSTRIAL TOOLING

DATA SHEET

100mm (4") Mini Roller Set - 4 Pieces

The ideal tool to immediately start working.

Features and Benefits

- Tray colour: Black
- Tray material: ABS plastic
- Roller core diam.: 5.29mm
- Easier to carry from room to room as opposed to a larger paint tin
- With a convenient hanging hook space to store away the item when not in use
- Comprehensive set allows you to get to work instantly
- Includes roller sleeves suited for gloss and emulsion
- Tray is designed to capture excess paint and minimise drips
- Replacement sleeves can be purchased separately

Typical Applications

- Painting and Decorating
- DIY

Note:
Spare mini tray also available, see KEN-533-4100K.
