DATA SHEET

No7 Hair Bristle Artist Brush, Wood Handle

This range of straight, wooden handled, medium point soft hair paint brushes are the ideal tool for decorators looking to paint out finer details. With chrome plated, steel ferrules and a labeled, wooden handle, they are designed for comfort and precision.
Available in sizes 1-12 to ensure you find the right product for your needs

Features and Benefits

- Chrome plated steel ferrule to bolster resistance to rust, corrosion and general wear and tear
- Soft hair bristles for a smooth finish
- Wooden handle allows for heightened grip and comfort whilst using
- Each product has the number brush printed on the side for transparency and easy selection of the correct product

Technical Specifications

- Brush width: 5/32"
- Brush length: 21mm
- Bristle shape: Point
- Bristle material: Hair
- Suitable paint types: Oil-based and water-based

Typical Applications

- Ideal for use by decorators looking to paint finer details and hard to reach areas with precision
