ASA
Anti-Static Spray

ASA is a very effective cleaner designed to eliminate dust and prevent the build up of static. It has been specifically developed for use in areas where static build-up causes major issues, computer rooms and offices, for example and is safe for use on plastic, metal, glass and synthetic surfaces. Developed with a "no-stain" formulation, it is also suitable for use on fabrics of any colour.

- Eliminates static discharges and prevents reoccurrence
- Prevents damage to voltage sensitive components and circuits
- Supplied in pump action bottle for use in hazardous working environments
- Safe on delicate surfaces; will not harm plastic surfaces which may be attacked by solvents.

Typical Properties

Form	Colourless liquid with lemon odour
Density (g/ml)	0.995
pH	7 to 9
Boiling Point (°C)	>100
Flash Point	Non-Flammable to BAMA Tests

Description	Packaging	Order Code	Shelf Life
Anti-Static Spray	250ml Pump spray	ASA250ML	48 Months

Directions for Use

Spray liberally on surfaces; avoid spraying directly onto live electrical equipment. Re-apply at regular intervals and increase use during dry weather conditions.
