## LabelWriter™ Stock Rotation Labels

DYMO® LabelWriter™ Stock Rotation labels streamline inventory and food safety in hospitality and food service. Tag and date food for safe or safe storage, waste reduction, adherence of health and safety regulation.

## BENEFITS

- **ELIMINATE GUESSWORK: By rotating items based on the labeled date, you reduce the risk of serving expired or spoiled food.**
- **MINIMIZE FOOD WASTE: Efficient rotation ensures that older items are used first, reducing unnecessary food disposal.**
- **COMPLIANT AND SAFE: Fully compliant with industry and regulatory standards for food labeling.**

### STEP 1

Use the DYMO® connect for desktop template to overprint- and add relevant time-, date stamp to labels.

### STEP 2

Easy peel and apply for a precise day of the week identification.

### STEP 3

Each label has a distinct date field for easy identification of the storage date.
