DATA SHEET

Product Code: KEN5405170K
Brand : Kennedy

POLYETHYLENE FLEX SPOUT FOR 2,3 &5LTR MEASURES

Product Information :

These pouring spouts are manufactured from flexible polyethylene making them suitable for use with the spouted funnels and measures to allow for easy pouring in awkward areas. Available in two sizes.

Features and Benefits
- Polyethylene construction makes for a highly durable product with resistance to chemicals and oil
- Flexible nature makes the product ideal for use in areas with restricted access
- Available in two sizes to suit your existing accompanying measure

Typical Applications
- Gardening
- Construction
- Automotive

EAN Code - 5036140116443
