DATA SHEET

Product Code: KEN5405740K
Brand : Kennedy

2LTR WEATHER-RESISTANTPOLYETHYLENE MEASURE

Product Information :

Available in a range of sizes and graduations, these liquid measures are chemical and oil-resistant due to their polyethylene construction. Fitted with an integral dispensing spout and a handle that is resistant to extreme weather conditions. Supplied in a white colour.

Features and Benefits
- Weather-resistant making them ideal for use outside
- Integral dispensing spout controls the flow of liquid and allows you to only dispense your desired amount
- Polyethylene construction makes the product resistant to chemicals and oils
- Available to purchase with varying capacities to best suit your needs

Typical Applications
- Painting and Decorating
- Construction
- DIY
- Automotive
- Gardening

EAN Code - 5036140116542
