DATA SHEET

Product Code: KEN5406540K
Brand : Kennedy

JERRY CAN WATER CONTAINER FOOD GRADE PLASTIC, WITH TAP 20LTR

Product Information :

These food-grade plastic jerry cans from Kennedy® store and dispense large quantities of water. Secured via a collared screw top lid, each container features an on-off tap for easy dispensing and quick shut-off.

The integrated handle allows for easy transport, while the sturdy plastic construction provides reliable upright water storage.

Features and Benefits
- On-off tap for spill-free dispensing
- Moulded integral handle allows for easy transportation
- Manufactured from food-grade plastic for safety and hygiene
- Collared screw top allows for easy refill
- Detachable tap for easy cleaning
- BPA-free construction to avoid hazardous chemicals in drinking water
- Durable construction resists impact for a long service life
- Cap is secured to the bottle with a flexible band to avoid loss
- Available in 10,15, 20 or 35 litres depending on your needs

Typical Applications
- Domestic
- Warehousing
- Facilities management
- Transport

Standards
- Food-Grade compatible (EU) No. 10/2011
