KENNEDY
QUALITY INDUSTRIAL TOOLING

DATA SHEET

Rectangular Magnetic Tray

This permanently magnetic steel tray is suited for holding metal items such as nuts, bolts, washers and other ferrous items.

Features and Benefits

- Material: Stainless steel
- Size: 242 x 142 x 42mm
- 2x 80mm magnet in a non-marking cover
- Attaches to any ferrous surface
- For retaining hand tools and fasteners
- Polished finish repels dirt and makes cleaning easier
- With rubberised magnetic base mat to protect the work surface
- Ideal for applications where nuts, bolts and parts could get lost preventing reassembly

Typical Applications

- Workshops
- Engineering
- Automotive
