Product Code: KEN5568100K
Brand : Kennedy

10mm NUT SPINNER

Product Information :

Manufactured from hardened and tempered chrome vanadium steel with a satin chrome finish, these nut spinners are the quick and easy way to loosen hex head nuts and screws. With an oil and acid resistant high impact plastic handle, the product boasts quality and longevity. Available in a variety of sizes to suit your specific needs.

Features and Benefits
- Handles are oil and acid resistant
- Chrome vanadium steel construction makes for a durable product
- Plastic handles are designed with user comfort in mind
- Blade is hardened and tempered for bolstered longevity and resistance to wear

Typical Applications
- Construction
- Automotive
- DIY
- Plumbing

EAN Code - 5036140117464
