DATA SHEET

Product Code: KEN5581250K
Brand : Kennedy

110mm/4.1/2" MICRO PROF DIAGONAL NIPPERS

Product Information :

Available as bent nose pliers, needle nose pliers or cutting nippers, these miniature pliers are suited for professional use. The dual material grip handle design allows the user to apply the greatest force with the minimum amount of effort. These miniature pliers and nippers are manufactured with a polypropylene core for strength and durability with a soft thermoplastic outer for non-slip comfort grip. Made from high-quality chrome-nickel steel with induction ground cutting edges, the products are used for delicate, fine and accurate work in a continuous production environment.

Features and Benefits
• Dual material grip handles gift the user with bolstered comfort and control
• Chrome nickel steel construction makes for a hardy product
• Induction ground cutting edges ensure accurate and precise cutting
• Spring-loaded return allows for repetitive work with ease
• Available in varying specifications to suit your needs

Typical Applications
• Electrical
• Construction
• DIY
