## 160mm/6.3/8" SNIPE NOSE P LIER WITH CUTTER

Product Information :

These snipe nose pliers are manufactured from chrome vanadium steel, with bonded vinyl-coated handles. Boasting a double polished head and joint with induction hardened cutting edges, each set of pliers also possesses a side cutter and serrated gripping and crimping jaws behind the head.

Features and Benefits
- Vinyl coated handle improves user comfort and control whilst using
- Induction hardened cutting edges hold a good cutting edge even over time
- Combines a cutter and snipe nose plier for versatility
- Serrated gripping jaws provide a strong hold
- Available in varying sizes to suit your requirements

Typical Applications
- Electrical
- Plumbing
- Construction
- DIY

EAN Code - 5036140117754
