DATA SHEET

Product Code: KEN5583300K
Brand : Kennedy

130mm Side Cutters

Product Information :

With a bonded vinyl-coated handle, double polished head and joint and an induction hardened cutting edge, this range of diagonal cutters are designed to give added strength at the point yet still fit into confined spaces. The cutting edge is offset at a slight angle to the handles to allow close cuts to a flat surface. Available in three sizes to suit your needs.

Features and Benefits
- Vinyl coated handle for bolstered grip and comfort whilst using
- Available in three sizes to allow you to purchase the product best suited to your needs
- Offset cutting edge allow for close cuts to a flat surface
- Double polished head and joints repels dirt and grime

Typical Applications
- Automotive
- Electrical
- Construction

EAN Code - 5036140117792
