A2G-20 0...2m/s, 0...10 m/s, 0...20 m/s over jumper to selectable

A2G-20 air2guide - air velocity transmitter

Item number:	42500761	
Quantity:	1 pcs.	
Order code:	A2G-20-3H1AAQ-MZ-SF-ZZ	2H
Overview:	A2G-20 0...2m/s, 0...10 m/s, 0...20 m/s over jumper to selectable A2G-20 air2guide - air velocity transmitter Output signal: 4...20 mA, 0...10 V Digital display: without Ingress protection: IP 54 Additional ordering information: without Certificates: without	
Details:	A2G-20 air2guide - air velocity transmitter with mounting flange Specifications according to data sheet: SP 69.06 Kind of measurement: Air velocity transmitter Unit: Air velocity m/s // Temperature 0...50°C Scale range: 0...2m/s, 0...10 m/s, 0...20 m/s over jumper to selectable Output signal: 4...20 mA, 0...10 V Digital display: without Front panel design: standard air2guide Ingress protection: IP 54 Certificates: without Additional ordering information: without
