SLIP KNIFE

SLIM POCKET KNIFE + ESSENTIAL TOOLKIT

FEATURES

The SLIP is a stylishly thin and ergonomic everyday carry knife, with an array of handy, essential tools built into the frame.

With the 50mm non-locking blade crafted from durable Black Oxide 420 grade stainless Steel, and the handles from anodised aircraft grade aluminium; the SLIP has been built to last, whilst remaiing lightweight and easy to carry.

SLIP is so much more than just a great looking knife, with a range of useful everyday essential tools to help you throughout your daily life.

Keep the SLIP close by and always handy, using the keyring attachment to connect your keys or belt loop.
