10-50mm Changeable Head Circlip Pliers, 4 Piece Set

Product Information :

This four-piece circlip plier set is the comprehensive, all-around tool to have to hand when removing or replacing circlips both internally and externally, forming an 8 in 1 tool. With straight, 45° and 90° interchangeable heads and comfort grip handles. The set includes heads that are suited for both 1.2mm and 1.5mm circlip hole diameters, with one straight 1.2mm, one straight 1.5mm, one 45° 1.5mm and one 90° 1.2mm.

Features and Benefits
- Comfort grip handles for control and ease of use
- Spring tensioned for precision and accuracy
- Interchangeable heads allow you to adapt the tool to suit your exact needs
- Has both internal and external capabilities via the interchangeable heads

Typical Applications
- Engineering
- Automotive
- Construction

EAN Code - 5036140010109
