250mm/10" SOFT TOUCH SLIP JOINT WATER PUMP PLIERS

Manufactured from hardened and tempered chrome vanadium steel with a corrosion-resistant chemically blacked finish, these water pump pliers are suited for gripping a variety of nuts and bolts. Possessing a vinyl grip for improved comfort and control and replaceable soft-grip plastic inserts that allow delicate or finished components to be gripped without damage. With an eight-position groove and spring-loaded rapid jaw adjustment.

Features and Benefits

- Manufactured from hardened and tempered chrome vanadium steel for durability and hardiness
- Bonded vinyl grip handles improve user comfort and control
- Soft-grip jaw inserts protect workpieces from damage when being gripped
- Eight position groove with spring-loaded mechanism that ensures quick adjustment
- Chemically blackened finish protects the pliers against corrosion and wear and tear
