Hi-Grip Screwdriver Set, Set of 7

Product Information :

Featuring both flared and crosspoint screwdrivers, this 7 piece set of screwdrivers is suited for professional use. With hexagonal blades constructed from chrome vanadium steel and striking heads, each screwdriver is suitable for striking with a hammer to free up seized screws. Complete with a fully hardened magnetic tip and a comfortable moulded grip handle, the set is supplied in a display case.

Features and Benefits
• Chrome vanadium steel blades make for a roust product
• Fully hardened tips ensures a positive fit with fastenings
• Tips are magnetic to hold the screw in place making it easier to deliver accurate torque
• Comfortable moulded grip handle for user comfort and control
• Can be struck with a hammer to free up seized screws without damaging the tool

Typical Applications
• Electrical
• DIY
• Plumbing
• Automotive
• Construction
