Brand : Kennedy-Pro

Pro-Torq Pozi Screwdriver, No.2 Pozi Tip, 100mm Blade

Product Information :

Featuring additional cutaways to help support screws and improve torque, these Pro-Torq Pozi/Supadriv screwdrivers are suited for professional use. With chrome vanadium steel blades and magnetic tips, each screwdriver is also fitted with a unique dual grip triangular handle which has been designed for improved user comfort, allowing more torque to be applied. Finished with a convenient hanging hole in the handle for storage and available in a variety of sizes and specifications.

Features and Benefits
- Chrome vanadium steel shank is durable and suited for withstanding everyday use
- Magnetic tips ensure maximum torque can be applied accurately by holding the fastener in place
- Dual grip triangular handle is designed for improved user grip and comfort
- Convenient hanging hole for easy storage
- Available in a range of sizes and specifications to suit your exact needs

Typical Applications
- Construction
- Joinery
- DIY
- Maintenance and Repair
- Automotive
- Engineering

EAN Code - 5036140002937
