Pro-Torq Screwdriver KEN-572-5500K

Chrome vanadium steel blades with magnetic tips. Fitted with a unique dual grip triangular handle which has been designed for improved user comfort, allowing more torque to be applied. With convenient hanging hole in the handle for storage.

Features and Benefits:

- Magnetised Tip
- Flared Tip, Square Blade Square bladed screwdrivers can be gripped in a spanner or locking wrench to allow greater torque to be applied from the side rather than from directly above the screwdriver.
