DATA SHEET

Product Code: KEN5725650K
Brand : Kennedy-Pro

Pro-Torq Flat Head Screwdriver, 3.0mm Parallel Tip, 100mm Blade

Product Information :

Chrome vanadium steel blades with magnetic tips. For parallel tipped screwdrivers, to safely drive these screws, the tip of the screwdriver should be of the same width as the slot in the screw head and fill it as well, to minimise slipping and deforming the screw head.

Features and Benefits
• Fitted with a unique dual grip triangular handle which has been designed for improved user comfort, allowing more torque to be applied
• With a convenient hanging hole in the handle for storage

Standards
• DIN ISO 2380

EAN Code - 5036140121089
