Screwdriver Set, Set of 12

Product Information :

Ideal for use as a comprehensive set whilst out on jobs, this 12 piece screwdriver set includes flared, parallel and crosspoint screwdrivers. With a traditional fluted design handle, each driver is comprised of a steel blade with a satin finish, magnetic tips, hardened and ground to prolong tool life and a high impact plastic handle. Designed for professional use and harsh working environments.

Features and Benefits
• Comprehensive set with flared, parallel and crosspoint screwdrivers to ensure you always have the correct tool to hand when on a job
• Traditional fluted design, moulded plastic handle is robust whilst also providing control and comfort to the user
• Satin finish chrome vanadium steel blades provide durability and prolong tool life
• Magnetic tips hold fasteners in place when applying torque for accurate results

Contents
