6101-0045 Differential Pressure Switch

- GT27027 differential pressure switch
- Pressure range - 0.20” to 1.00” H_20
- Single pole change over contacts
- Diaphragm material - Post cured Silicone
- Burst pressure - 1 PSI
- Operating Temperature – -25°C to +105°C
- Electrical rating - 5A 250V AC
- UL, CSA & CE Certified
- Vertical mount recommended
