A-IAI-1, Attachable indicator for transmitters, Ex version (II 2G Ex ia/ib IIC/IIB T4)

Attachable indicator

Item number:	7148512
Quantity:	1 pcs.
Order code:	A-IAI-1-HZ-Z
Overview:	A-IAI-1, Attachable indicator for transmitters, Ex version (II 2G Ex ia/ib IIC/IIB T4) Signal input: 4 ... 20 mA, 2-wire Power supply: supply by the 4 ... 20 mA current loop Electrical connection: L-plug DIN EN 175301-803, form A Ingress protection: IP 65
Details:	Attachable indicator Specifications according to data sheet: AC 80.07 Display: LCD, 4-digit from -1999 ... 9999 Accuracy of reading: +/- 0.2 % of span +/- 1 digit Signal input: 4 ... 20 mA, 2-wire Damping: selectable in steps Power supply: supply by the 4 ... 20 mA current loop Electrical connection: L-plug DIN EN 175301-803, form A Ingress protection: IP 65 Model: A-IAI-1, Attachable indicator for transmitters, Ex version (II 2G Ex ia/ib IIC/IIB T4) operating of the unit: via keys inside the case Instrument configuration: without, configuration by the customer
