Brand : Kennedy

Screwdriver Set, Set of 11

Product Information :

Containing a mixture of flared, parallel and Pozi tip screwdrivers, this 11 piece screwdriver set is ideal for professional use. With traditional 'fluted' design handles, the screwdrivers possess high-quality steel blades with a satin finish. Each driver also features magnetic tips and high-impact plastic handles that are acid and oil resistant. This range offers the widest choice of blade selection and blade length and the 11 piece set provides a comprehensive selection to meet the demands of modern industry.

Features and Benefits
• Magnetic tips allow you to hold the fastening in place when applying torque for a more precise finish
• Moulded plastic handles bolster user comfort and grip
• Chrome vanadium steel blades improve product longevity
• 11 piece set is comprehensive and versatile

Typical Applications
• Engineering
• Construction
• DIY
• Electrical
