KENNEDY
QUALITY INDUSTRIAL TOOLING

DATA SHEET

1/2" Square Drive Impact Driver Set - 40 Pieces

Supplied in a robust plastic case, this set includes an industrial quality chrome molybdenum impact driver with switchable forward and reverse screwdriver rotation. When the impact resistant handle is struck with a hammer, the downward force is converted by the impact driver's internal mechanism into a powerful high torque screwdriver rotation action.
Ideal for ensuring fasteners are securely tightened and for freeing stuck fasteners.

Features and Benefits

- Manufactured from resilient chrome molybdenum to boost product longevity
- Can also be used with impact sockets (sold separately) making it a versatile tool
- Drivers have the directional capabilities etched onto them to give you visibility as to which direction the driver can be used in
- 40 piece set is comprehensive and ensures you always have the correct piece to hand

Typical Applications

- Automotive
- Maintenance and Repair
- DIY
- Plumbing
