KENNEDY PROFESSIONAL

DATA SHEET

Metric Combination Ratchet Spanner, Chrome Vanadium Steel, 15mm

Manufactured from chrome vanadium steel with a mirror polish finish, this range of bi-hexagonal ring ratchet spanners are a staple of any complete toolbox. The 72-teeth ratcheting system needs only 5° movement to operate the ratchet, making it ideal even in tight spots.

Feature and Benefits

- Length: 200mm
- Chrome plated mirror finish prevents dirt and oil attracting to the spanner
- Ratcheting system requires only 5° movement to operate for use even in confined spaces or awkward angles
- Manufactured from chrome vanadium steel making for a robust product
- Thin wall design allows for greater access to hard to reach areas
- Available in a wide variety of sizes to suit your requirements

Typical Applications

- Ideal for use by professionals such as mechanics, plumbers, engineers, electricians, general handiworkers and DIY enthusiasts

Standards

- Conform to **ANSI B107.6**
