KENNEDY PROFESSIONAL

DATA SHEET

Metric Flexi-Head Combination Ratchet Spanner Set, 10-19mm - 13 Pieces

Designed specifically for use in restricted areas, this set of metric ratchet combination spanners is ideal for professional use. Constructed from chrome vanadium steel with mirror polish finish, preventing oil and dirt from adhering to the spanner, making for easier cleaning and preventing corrosion. Supplied in a heavy duty fitted storage case to allow you to easily organise, store and transport your set

Features and Benefits

- Manufactured from chrome plated vanadium steel making it a highly durable product
- Mirror finish makes for an easy wipe clean product as well as looking aesthetically pleasing
- Flexi-head allows you to reach awkward areas as well as making storage easier
- 13 piece set is the cost effective way to ensure you always have the right tool to hand

Typical Applications

- Suited for use when loosening and tightening nuts, making it the ideal product for professionals such as mechanics, engineers, plumbers, electricians, construction workers and skilled DIY enthusiasts

Standards

- Conform to **ASME B107.6**

Set contains:

1x each 10, 11, 12, 13, 14, 15, 16, 17 and 19mm flex-head ratchet combination spanners
