KENNEDY PROFESSIONAL

DATA SHEET

Metric Double Open Ended Spanner, Chrome Vanadium Steel, 21x23mm

This range of double ended chrome vanadium steel spanners have a highly polished mirror finish preventing oil and dirt from adhering to the spanner. With two 15° offset and extra thick heads to offer higher torque forces to be applied. Finished with a chrome plating.

Features and Benefits

- Length: 250mm
- Manufactured from chrome vanadium steel for maximum durability
- Highly polished mirror finish repels dirt and grime, making for an easier tool clean
- Extra thick head allows for more torque to be delivered
- 15° offset angle heads allows access in confined or awkward areas
- Available in a range of metric sizes to suit your needs

Typical Applications

- Plumbing
- DIY
- Automotive
- Engineering

Standards

- Conform to **ASME B107.39**
