GEARWRENCH

120XP Ratchets

The Double-Pawl design of GEARWRENCH 120XP™ Ratchets provides 120 ratcheting positions so fasteners can be turned in the tightest spaces and jobs can be completed faster. Two pawls alternately engage a 60-tooth gear, allowing a swing arc of just 3 degrees and delivering strength that exceeds ASME torque performance requirements.

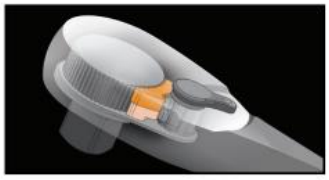
120 Positions
Give a 3° ratcheting arc to turn fasteners in tight confines

Flush Mounted On/Off Switch
Allows better access in tight spaces

Enclosed Head Design
For extreme resistance to dirt

Extra Long Handle
For increased access

Professional Full Polish Finish
Oil and solvent resistant and easy to clean



Two Double-Stacked 60-Tooth Pawls
For exceptional strength that

Teardrop low profile Head
And flush mounted On/Off switch

120XP Flex Head Ratchets

120 Positions
Give a 3° ratcheting arc to turn fasteners in tight confines

Stubby Handle Length
For when clearance is limited

Dual Material Comfort Grip
For improved grip

Flexible Head
For adjustable access angle

Flush Mounted On/Off Switch
Allows better access in tight spaces

Push Button Locking Flex Head
Offers nine locked and unlocked positions for adjustable angled access

Full Polish Finish
Oil and solvent resistant and easy to clean
