Zarges Industrial Swingback Steps

The ultimate builders step - high strength for regular use

- Tested and certified to both BS 2037 Class 1 and EN 131
- Patented 7-point connection between tread and stile with reinforcing support rod through the centre of the tread.
- Non-slip, replaceable rubber feet provide firm footing
- Stand safely on large serrated treads (84 mm deep)
- Smooth 'box section' stiles that are comfortable to hold - no sharp edges
- Optimal stability thanks to locking side bars on both sides
