TGS55.100
Modelcode type: TGS55
Item number: 48776810

TGS55.100	
Nominal size	100
Accuracy class	class 2 per DIN 16196
switch	electronic switch (standard) 2-wire model 830E
first switch operation	makes (1)
Electrical connection	plug sidewise
Unit	°C
Connection location	back mount, adjustable
Connection design	4, compression fitting, sliding on stem
Process connection	G 1/2 B
Stem diameter	8 mm
Insertion length L1	186 mm
Materials	
Stem material	316SS
Movement	stainless steel
Dial	Aluminum, white
Pointer	aluminium, black
Case	Stainless steel
Window	flat instrument glass
Operating conditions	
Permissible ambient temperature	-20 … +60 °C
