KENNEDY PROFESSIONAL

DATA SHEET

1/4" Extension Bar, 250mm

These standard-type extension bar is ideal for reaching fasteners in confined spaces that would otherwise be inaccessible. Manufactured from chrome vanadium steel with a polished finish and a knurled finger grip.

Features and Benefits

- Manufactured from chrome vanadium steel for durability
- Fully polished finish repels dirt and prevents grime from adhering to the tool for easy cleaning
- Knurled 'finger-grip' allows for heightened control and grip when using
- Available in a range of sizes to suit individual needs
