Brand : Kennedy-Pro

460mm/18" Polyester Tool Bag 28-Pockets

Product Information :

With an attractive black and red design, this 600 denier fabric tool bag is an efficient way to transport your tools to various job sites. With a padded, adjustable shoulder strap and handles, it's lightweight and comfortable as well as robust. Possesses a total of 11 internal pockets and 17 external pockets, coupled with a large internal compartment. The bag closes via a heavy-duty zip.

Features and Benefits
- Manufactured from 600 denier polyester making it durable and resistant to everyday wear and tear
- Has padded handles and shoulder strap to ensure comfort when transporting even a full bag
- Possesses a heavy duty zip to secure your tools when not in use
- Boasts a total of 28 pockets and compartments for ample space for your most used hand tools and components

Typical Applications
- Ideal for use on site or when moving between locations due to its transportable nature and hard wearing construction

EAN Code - 5036140058743
