TTT445 Tool Box With Tote Tray

Product Information :

Made from impact resistant high-density plastic, this professional toolbox is ideal for everyday use on site. Features an internal eight compartment tote tray with retractable carry handle and stacking 16-compartment organiser as well as a moulded metric scale on the lid, lid locking clasps and sturdy plastic handle that also locks lid shut when lifting. With lock hasp and piano hinge.

Features and Benefits
- Manufactured from impact resistant, high density plastic for durability in harsh conditions
- Possesses a handy moulded, metric ruler on the lid for ease of measuring smaller items whilst on site
- Ensures the security of your tools with click shut latches and padlock eyes to affix a padlock (sold separately)
- Boasts a sturdy plastic handle for ease of transportation, that also works by locking the lid shut when in the upright position
- Tote tray allows you to store your most used tools and organise smaller components

Typical Applications
- Ideal for use on construction sites as well as lighter duty applications such as DIY and hobbyists

EAN Code - 5036140017986
