4-Port Portable USB 3.0 Hub with Built-in Cable

StarTech ID: ST43004UA

This 4-port portable USB 3.0 hub is tailored to match the stylish design of your MacBook, or laptop with a similar matte silver finish. It features a sleek, silver sandblasted housing that looks great next to your Apple laptop, and because the hub is designed with a solid-aluminum casing, it provides the lightweight durability that's ideal for either travel or desktop usage.

It also integrates a lengthier, 27 cm (10.5 in) cable, so you have the flexibility to place the hub and your devices exactly where you need them.

Looks great while expanding your connectivity

This high-quality, Apple style USB hub gives you an easy way to expand your MacBook connectivity. It provides four USB 3.0 (also known as USB 3.1 Gen 1) hub ports in a compact housing. Its silver sandblast finish provides a unique and stylish look when compared to traditional hubs. Now your USB hub can look as trendy and contemporary as your MacBook or Ultrabook, or your laptop that features a similar finish or shade.

The hub's built-in USB cable has sufficient length to reach your laptop's USB 3.0 port, regardless of where the port is located. Plus, the extended-length cable provides you with more desk placement options.

Portable and rugged

If you're looking for portability, then this hub can help. Its compact and lightweight design makes it ideal for travel. Plus, with a built-in USB cable, you can tuck the versatile hub neatly into your travel bag, and avoid the nuisance of carrying around a separate power adapter.

With a rugged aluminum housing, the hub offers dependable protection, so it's perfect for back-and-forth trips from home to office. Plus, the compact USB hub takes up minimal space on a desk, so you can use it in hot-desk or BYOD (Bring Your Own Device) environments.

Save money and time

This bus-powered hub is plug-and-play and hot-swap compatible, so you can install it quickly, with no additional drivers or software required. You can also avoid the nuisance and cost of purchasing new devices by using the USB 3.0 hub with your current USB 2.0 and 1.x devices.

The ST43004UA is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Applications

- Flexible hub placement options with an extended-length cable, so you can connect a wide variety of peripherals at home or in the office
- Carry the hub with you while traveling, and connect virtually any USB peripheral wherever you go
- Deploy in hot-desk environments to provide USB hub access for multiple devices

Features

- Sleek and stylish, with a silver, sandblasted finish that matches your MacBook
- Rugged, aluminum housing delivers reliable performance
- Travel-friendly, with a compact and lightweight casing, and an integrated, extended-length cable
- Four SuperSpeed USB 3.0 hub ports, with throughput support up to 5Gbps
- Carry the USB-powered hub with you anywhere
- Backward compatibility lets you save money and use with existing USB 2.0 and 1.x devices
- Plug-and-play and hot-swap compatible
- Provides overcurrent protection

Spec Sheet

Technical Specifications

Warranty	2 Years
Bus Type	USB 3.0
Chipset ID	Genesys Logic - GL3520
Fast-Charge Port(s)	No
Industry Standards	USB 3.0 - Backward compatible with USB 2.0/1.1
Interface	USB 3.0
Ports	4
USB-C Device Port(s)	No
USB-C Host Connection	No
Maximum Data Transfer Rate	5 Gbps
Type and Rate	USB 3.0 - 5 Gbit/s
Connector Type(s)	4 - USB Type-A (9 pin) USB 3.0 Female
Connector Type(s)	1 - USB Type-A (9 pin) USB 3.0 Male
OS Compatibility	OS Independent; No additional drivers or software required
Note	If connected to a USB 2.0 host port, performance may be limited
System and Cable Requirements	Host computer with a USB 3.0 port
LED Indicators	1 - Power
Power Source	USB-Powered
Humidity	10%~90% RH (Non-condensing)
Operating Temperature	0°C to 40°C (32°F to 104°F)
Storage Temperature	-10°C to 70°C (14°F to 158°F)
Cable Length	10.6 in [268 mm]
Color	Silver & White
Enclosure Type	Aluminum and Plastic
Form Factor	Compact
Product Height	0.7 in [18 mm]
Product Length	4.4 in [112 mm]
Product Weight	2.7 oz [76 g]
Product Width	1.4 in [36 mm]
Shipping (Package) Weight	5 oz [142 g]
Included in Package	1 - 4-port USB 3.0 hub
