A lightness flows through filing with Exacompta's Aquarel Pastel range.
Made of real glossy card - a homogeneous and resistant material - the Exacompta Exabox filing box has a superior quality appearance and lasts longer.
An essential asset of filing, the filing box is more and more commonly used to store files, letters, supplies, accessories, etc. No need to punch the sheets, everything can be stored without counting!
The spine label makes it easy to identify the contents.
100% French manufacturing from raw material to finished product in our Exacompta-Clairefontaine Group factories. FSC® certified product, responsible forest management.
