T8-T40 TAMPER-PROOF TORX KEY SET (9-PCE)

Product Information :

This 9 piece set contains TXS keys in an L-wrench shape. TXS keys are the same shape as standard TX keys, but have a security hole in the middle to prevent tampering. Each key is manufactured from chrome molybdenum steel and the set is supplied in a plastic storage clip.

Features and Benefits
- Security hole in the middle ensures tampering does not occur
- Black oxide finish protects the keys from corrosion as well as general wear and tear
- Manufactured from chrome-molybdenum steel making for a durable product
- Supplied in a plastic storage clip to effectively hold the tools together

Typical Applications
- Automotive
- Furniture Assembly
- Bicyle Repair

EAN Code - 5036140046160
