KENNEDY®

DATASHEET

Welders Sleeves, Leather, 455mm Elasticated Cuff

These chrome leather welder's sleeves deliver optimum protection for the lower arm and elbow. Designed for durability with heavy-duty stitching, these sleeves can be used independently or in conjunction with an apron or other garment.

Features and Benefits

- Elasticated openings for a secure fit
- Durable material for protection during extended wear
- Spatter and tear-resistant to protect against industry specific hazards
