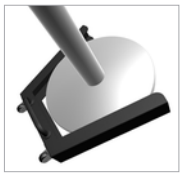
Tensabarrier® Accessories

A range of products are available to help you get the most out of your queuing system.

Post Runner

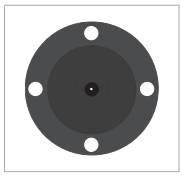
Post Runner with wheels, for quick and efficient post transportation. Reduce unnecessary pressure from having to lift and carry posts, just fit into the runner and wheel away.



PR1

Floor Protectors

Protect expensive flooring with partial floor protectors.
Can be ordered attached to posts or loose for subsequent attachment with self-adhesive backing.



Floor Stickers

Use post position floor stickers to mark out temporary queue layouts, use arrows to provide additional customer guidance or mark queue entrances & service positions with footsteps.

PF2

AFS

Note: Diameter of stickers is 9.8" (250mm)
