Product information

This high visibility jacket is independently certified to seven international standards making it the ideal choice when versatile protection is required.

Bizflame Multi

The multi-standard compliant clothing meets the most stringent requirements. Garments are waterproof, resistant to chemicals, flame resistant, have anti-electrostatic properties, are arc resistant and ensure high visibility day and night.

Flame Resistant

This industry leading flame resistant range provides multi standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.

Standards

EN ISO 11612 (A1, A2, B1, C1, E2)
EN ISO 11611 Class 2 (A1+A2)
EN 1149 -5
