DATA SHEET

Product Code: KEN9839010K
Brand : Kennedy

PTFE Tape for Thread Sealing, 25mmx12m

Product Information :

Designed for thread sealing, this PTFE tape eliminates the need for lubricants and vacuum greases on ground-glass joints, desiccators, bell jars, etc.

Features and Benefits
• Provides a vacuum-tight seal, yet will release readily even after long periods of time

Notes
• Size (WxL): 25mm x 12m

EAN Code - 5036140327856
