Solid Cable Management Raceway with Cover, 2"(50mm)W x 3/4"(20mm)H - 6.5ft(2m) length, 3 Compartment Network Cable Hider - Wire Duct System, Power Cord Concealer, UL Listed - TAA

Product ID: CBMCWD5020

This 6.5 ft. (2 m) cable management raceway neatly routes cables in your office or server room, while also concealing them to create a tidy and professional look.

This cable management raceway protects cables from damage while neatly routing them in your office or server room. The raceway is 0.8 in. (20 mm) x 2 in. (51 mm) with three individual channels running throughout the raceway you can use to easily organize and separate cables.

Made from self extinguishing PVC, that's sturdy and warp proof this network/power cable hider/concealer is M1 Rating NF fire resistant with a 186F (86C) Vicat softening point and are UL/94V-0 Rated.

The cable raceway can be mounting by simply drilling holes through housing and into any surface, or double sided tape can used to secure the raceway (screws and tape not included).

To combine and route this cable management raceway and cap ends for a professional finish, StarTech.com offers a wide selection of raceway accessories.

The End Piece (CBMCWD5020E) (20-Pack), cleanly caps off the end of your raceway.

The Inside Elbow (CBMCWD5020I) (20-Pack), joins two raceways together inside of corners at a 90 degree angle.

The Outside Elbow (CBMCWD5020O) (20-Pack), joins two raceways together around corners at a 90 degree angle.
